OPEN BACK TO NATURE RELAY 2009

Organizer: Kuala Lumpur Association of Veteran Athletes (KLAVA)

Date : 11-1- 2009

Venue : Next to Taman Metropolitan Batu, Taman Mastiara, Off Jalan Ipoh, Kuala Lumpur (refer to Map)

Introduction

This event is organized by the Sub-Committee Members (Road Races/Relay) of Kuala Lumpur Association of Veteran Athletes (KLAVA) to cater for both competitive as well as fun runners. Due to the good response to all KLAVA previous road relay events, we decided to continue organizing more of these in order to promote teamwork, team spirit and fellowship. We also hope to get people who exercise regularly but are non-competitors to be introduced to team road relay and eventually also to participate in individual events. Everybody is a winner in our events because all participants will be awarded POSITION medals. Also, CHAMPION TROPHY will be awarded to the winning teams.* How do we know what runners want? Because we are also regular runners too.

For those who have participated in our previous relay events, you would have noticed a different venue each time previously. This best time however we feel that among all the venues, this venue, sited next to Taman Metropolitan Batu (outside the fencing) is the best. The route circumvigate a huge, scenic lake. Here you will find fishing enthusiastic, equip with rods and baits doing fishing. For the nature lovers, they can explore the area for wildlife such as birds, jungle fowls, monitor lizards etc. As for those who come with family, they can chose a place either within the fenced park or outside for a relaxed B.Y.O.F. (Bring Your Own Food) picnic. Even couples can watch the sunset or sunrise and the brilliant reflection at the waterfront. How romantic! There is something for everyone! This is 'der' place of discovery!

This is our first KLAVA event for year 2009. Depending on the feedback/respond, we may organize more road relay events similar to the Formula One Series whereby Championship points will be awarded and the teams for each category that score the most points shall be awarded the Championship Trophy. So, continue to use your team names for all the road relay events to be organized by KLAVA. We hope that one day we can make road relay running events popular and with more clubs/associations/local municipalities organizing them!

So, please show your support and introduced more friends to participate.

Thank you!
