Organizer : Kuala Lumpur Association of Veteran Athletes (KLAVA)

Date : 8th November 2007 (Thursday)

Venue : Taman Bukit Kiara, TTDI

Reporting : 6.45am - 7.15am

Starting : 7.30am

Introduction

This event is organized by the *Sub-Committee Members (Road Races/Relay)* of Kuala Lumpur Association of Veteran Athletes (**KLAVA**) to cater for both competitive as well as fun runners. While the elite runners may challenge for the top placing, the others may take it as a fun outing since POSITION medals will be awarded to all participants who completed the relay.

Unlike our previously organised events, there will be separate category for veteran. This is to give due consideration for the older runners so that they can compete on a more level field (amongst their peers so to speak!). Depending on the response for this event (i.e. if there are sufficient participants from other age groups), in future we may even have separate category for juniors; women's open and even veteran or men's senior veteran just like PAAA's Penang Round The Houses Road Relay. Also, unlike individual road race, a road relay event is not concluded until the last runner of the respective team finished.

In between, the position may change hands several times! With the team members & supporters cheering, it made for an exciting event. To encourage those who finished at the bottom to continue taking part, medals with the words 'Special Award For Sportmanship" will be inscribed. However the organiser reserves the rights on the availability of these special medals and also the type of finish (colour to be ordered) although we have awarded these in previous events.

Ever wonder why some events are so successful? Example : Penang Bridge International Run; S'pore Standard Chartered Marathon; Pacesetters Road races & KRI Road races. This is not because of the cash prizes nor the top runners but rather the regulars, average and even casual joggers can get a chance to take home finishers medals. In our KLAVA events, we not only dish out finishers medals but also have the finishing position inscribed on them to give due reward to your team effort!

So, do show your support & make these events popular. Thank you!
